# FROM THE SMALL SCREEN TO THE OPERA HOUSE...

*Our editors pick this year's must-see events in television, literature, film, music, radio, opera, dance and the visual arts*

## **Ursula von Rydingsvard**

If you're going to make art with wood, then cedar is the tree. Its hard, warm, patterned and smells. Von Rydingsvard, one of America's leading sculptors, has made a special practice of taking cedar beams and turning them into assemblies of deep textures and personal expression. Her first major survey in Europe. *Yorkshire Sculpture Park, Wakefield, 5 April to 4 January 2015*
