

## Shows! Shows! Shows! 34 New York Must-See Gallery Exhibitions to See This May

Anchored by Frieze Week, May is one of the busiest months for gallery shows in New York.

The artist's monumental installation sculptures will take over the gallery space on May 3. Von Rydingsvard's sculptures defy what seems possible—take her contorted tree trunks that simultaneously drip down the wall. The artist is also the subject of two concurrent Philadelphia museum shows; “The Contour of Feeling” at the Fabric Workshop and Museum and “Now, She” at the Philadelphia Museum of Art.
