# Here Are 19 Great New Art Movies You Can Stream Now, From a Philosophical Ode to Banksy to Dueling Exposés on the Knoedler Scandal

Think you've streamed everything? Try one of these new art films.

**Sarah Cascone**, March 31, 2021

The past year has been a tough one for the movie business. But despite the widespread closure of theaters and delays in releases, an impressive bunch of films related to the arts have come out.

From dueling documentaries on the infamous Knoedler forgery scandal to biopics on artists M.C. Escher to David Wojnarowicz, here are 19 new art movies and where to stream them.

***Ursula von Rydingsvard: Into Her Own* (2019)**  
[Vimeo](#) (\$3.99), [iTunes](#) (\$4.99), [Amazon](#) (\$4.99)

Artist [Ursula von Rydingsvard](#), known for her monumental wooden sculptures, shaped from towering cedar trunks, offers a behind-the-scenes look at the studio machinations that make her large-scale public artworks possible.
